Logging into the Parent Portal

Creating an account

From the email, click on the 'invite link' this will direct you to the **'Create Account'** screen where your account details will populate. **(Image 1)**

Click on **"Confirm Details" this will direct you** to the 'Create Password' screen. **(Image 2)**
(Password must have a minimum of 8 characters but must include, 1 Upper case, 1 symbol, 1 number)

You will then be directed to the log-in page where your username will pre-fill and you will simply be required to enter in your parent portal password. **(Image 3)**

****The system will recognise if you are already an existing user. (Image 3)**
